## ABOUT ME

---

I am a fresh graduate from BINUS University, majoring in Computer Science.

I have first-hand experience, having worked as an intern.

I have been involved in Front-End development. Having worked in several fields before, I am interested in getting a position in UI, Front-end, IT Support, but not limited to those positions only, because basically I am a curious person and willing to spend a lot of time to learn something new.

And finally, I strongly believe that good communication is the key to success in every aspect of life.
